

INSPECTOR GENERAL

THE WHITE HOUSE

WASHINGTON

PRESIDENT'S INTELLIGENCE OVERSIGHT BOARD

March 30, 1982

Dear Mr. Briggs:

This is to notify you that, effective immediately and until further notice, I will be serving as Counsel to the President's Intelligence Oversight Board (PIOB). Our office has been moved to room 331 of the Old Executive Office Building, and our new telephone numbers are (202) 456-2530 or (202) 395-6113. We also, of course, have a secure telephone.

During the interim between the departure of Mr. James V. Dick in July and my arrival as Counsel earlier this month, reports were received from your office as follows:

October 15, 1981
January 20, 1982

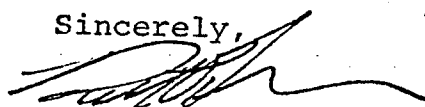

Receipt of these reports is hereby acknowledged. We look forward to receiving your next quarterly report by April 15, 1982, as well as special reports as warranted by the circumstances.

In your letter to Mr. Fred Fielding, dated 15 October 1981, you offered to provide information on the Wilson/Terpil case. The Board members have expressed an understandable interest in this case, and I believe it would be useful for me to receive a briefing and/or written information on this matter at an early date--perhaps during my first visit to your office.

Within the next week or so I will be telephoning your office with the hope that we can arrange a short meeting, as well as any briefings which you believe might be helpful. In the meantime, and throughout the duration of my service here, I invite you and your staff to call or come by our office at any time you believe we might be of assistance.

With best wishes, I am

Sincerely,

Robert F. Turner
Counsel
